

FOOD FOR LANE COUNTY

17TH ANNUAL EMPTY BOWLS VIRTUAL AUCTION

HOW TO JOIN IN THE FUN! (Technical Instructions)

Your virtual auction experience will be best if you can use two devices – one for the livestream, and one for bidding.

Device #1 – Your Smart TV, Computer, or Tablet.

Use this device to tune into the LiveStream, **September 25th beginning at 5:30pm:**

<https://events.handbid.com/auctions/17th-annual-empty-bowls-auction-fflc-11167>

The feed will start at 5:30pm so you can check your connections and be ready for the **program to start at 6:00pm.**

Device #2 – Your smart phone or Tablet.

Use this device to check out and bid on the Silent & Live Auction items, and to make gifts and pledges to support FOOD For Lane County's mission.

Download the Handbid app and sign in using the account you opened when you registered for the event. This is the easiest way to bid – categories are across the top and scroll left, right, up and down to view.
