

RECALL: Culinary International, LLC

Posted 1/21/2020

Recalled due to Possible Foreign Matter Contamination

Recalling approximately 626 pounds of egg burrito products labeled as chicken burrito products due to misbranding and undeclared allergens. The products contain eggs, a known allergen, which was not declared on the product label.

- The products subject to recall bear establishment number “EST 45694” printed on the value pack bag and the individual wrappings, next to the lot code. These items were shipped to retail locations nationwide.
- The frozen, not ready-to-eat (NRTE) chicken burrito items were produced on Sept. 10, 2019.

See product descriptions below. Only the product(s) listed below are affected.
